**Committee Formed to Define Chivalry In  
Umbria**

A meeting was held on Dec 12 1999 of the Chivalry of Umbria. In attendance was Dame(s) HRM Delia von Burg, Skye O' Malley, Kate MacPherson, Alexandria von Lombard, Roawyn O' Riley, and Sir(s) HRM Rashalak, Fredrick von Burg, Philippe De Bois Guilbert, James the Red, and Waylon of Winchester. This meeting was the first of the chivalry to help define exactly what the role and the rules of the chivalry are in the Kingdom of Umbria. Many ideas were discussed as well as the individual ideas and goals of each Knight in attendance. Many goals were similar and many were not.

It is the intention of the Crowns of Umbria to take the lead in the Adrian Empire and establish a clearly defined set of rules and guidelines for the Chivalry of the Kingdom of Umbria

A committee was formed to tackle this question and help to formulate these rules and guidelines. Members of the committee are: Sir Ievan, Dame Roawyn, Dame Skye, Sir Fredrick, and HRM Sir Rashalak.

**Meeting of the Estates General

### ***War in the March of Rising Star***

***By Sir Waylon of Winchester***

A sunny day in November found the armies of Ivan, the Forsaken (*Bastard*) Winchester and Sir Waylon of Winchester with their armies, squared off in the field of battle at Cactus Park. At stake was the claim of Ivan and Sir Waylon to the right of the lands and estates so rightfully claimed by Sir Waylon.

The outrageous claims of Ivan had started this summer with his claim that he was the son of the late, James of Winchester, father to Sir Waylon. Sir Waylon, his right and true heir, knowing this to be unfounded, rejected his unjust claim outright. Ivan continued his campaign to force the issue of his birthright.

With no capitulation's from either contender, the only option left was to battle to determine who would be the victor. Under the guidance of Sir Fredrick von Burg, Royal Minster of War and Joust, the armies took the field. The artisans were present this day and contributed their efforts to the day. When the dust had cleared, Ivan's army (many paid mercenaries) had prevailed in combat, besting the army of Sir Waylon 7-2.

In the closing court, graciously attended by HRM Dame Delia, Ivan

proposed single combat to Sir Waylon to settle the issue of his heritage. The contenders squared off, and combat begun, when a messenger interrupted. News had come from Sicily, that his beloved Lady was being held hostage. Ivan vowed that he must travel to foreign lands to rescue his lady. Moments later, Dame Roawyn delivered a long lost letter from Sir Waylons' father, saying that Ivan was indeed his brother and to acknowledge the ties.

Ivan and Sir Waylon greeted each as brothers and agreed to support each other. The question of Ivans' heritage was settled.

My thanks to all whom fought, made arts entries, autocrats, and all who served as marshal's and water bearers. Without your support this event would not have been possible. We all had a wonderful time at a very fun event.

#### **The Kingdom's Archery Tourney Report!**

Greetings to all. It has been a hectic couple of months. I hope the choices of archery dates have not inconvenienced anyone. With the

holidays in November and December it has made changes necessary from the normally scheduled Saturday. November's winners were Bowmans list, **Margirita** and the Huntsmans list, **BlackArrow**. These fine archers plus the other 5 who participated should be congratulated. Decembers tourney will be at Papago Park on Sunday December 26, 1999. The time for the event will be 12:30 PM. Thanks for all your continuing support and I hope to see all archers there. I have gotten Kingdom funds and will begin work soon on portable target stands. It is my hope that we will damage a lot less of our expensive arrows in the future. I will be working with the Imperial Minister of Archery to see about the possibility of having a target match at Banner War in May. Sir Waylon of Winchester, Royal Minister of Archery

#### Merchants in the Local Area

Many of us require leather and accessories in many of our endeavors. It has been related to me that the Leather Factory is offering a substantial discount when purchasing from them for members of Medieval Recreation organizations. One of our members recently purchased items from the Leather factory and was asked if he was a member of a recreation organization. He informed the clerk that he was a member of the Adrian Empire and they did not have our organization listed and told the clerk it was like the SCA. The Leather Factory does recognize the SCA. The discount given to our member was approximately 40%. This does not constitute an endorsement for the Leather Factory but is a reminder to all members of the Kingdom of Umbria that this discount is available.

We hope to bring you further information on sources of goods and discounts available in the local area. Please send word to the Chronicler on any merchants you may know. I know that I'm always looking for ways to save my hard-earned money, as are most of you are.

#### **Collegium!**

Lady Julie Ann McBride will be holding a collegium on 15 Jan 2000 on cross-stitching at the Kingdom of Umbria tourney. As a special note, she will be taking her knighting at the event and a party will follow her knighting.
