

May 2002

Welcome to the May issue of the Umbrian Mug. It has been brought to my attention that several members of the populace are not receiving this. It is my mission to provide this newsletter to every member of the populace. If you know someone who is not receiving the Mug regularly (1st Wednesday of the month), please let me know so I can rectify the problem!

## Chronicler's Oddes and Endes

Thank you to Sir James and Dame Justina, who afforded me the chance to try my hand at the Chronicler's job, and to TRM Philippe and Justina who allowed me to continue in a ministry position I have enjoyed.

Thank you, also, to Dame Roaywn and Sir Angus, who publicly lauded the job I have done when they were considering running for the Imperial Crown, as well as to those who have privately approached me with either compliments or constructive criticism.

I hope the populace has found the Mug both informative and thought-provoking.

There were no submissions this month. I am sure everyone has been busy getting ready to support their contender of choice.

See you at the War!!
