

THE UMBRIAN MUG

**Kingdom Of Esperance
Canton of Loch Lava**

The Canton of Loch Lava, located in the Kingdom of Esperance, mundanely in 29 Palms, CA., has recently changed the day of their monthly event to the first Saturday of each month. This being the one weekend of the month when Umbria does not normally have anything going on, this gives us an opportunity to play outside our kingdom.

The populace of Loch Lava are a wonderful group of people and love to have vistors.

To get to Loch Lava from Phoenix, take I-10 west until you get to California highway 62. There are other ways to get to 29 Palms, but the route I am giving you is the easiest to follow. Highway 62 is quite far; if you haven't got to the windmills yet, you're not there.

Take highway 62 through Morongo Valley, Yucca Valley and Joshua Tree into 29 Palms.

Continue on highway 62 to the traffic light. This is Adobe Road. Continue on highway 62 through the light. You will next come to a flashing light. This is Utah Trail. Turn left on Utah Trail. The park is less than a mile on the left hand side of the road.

The event starts at 10AM Pacific Time, and the trip takes about 5 hours (each way) if you follow the route I have given and obey the speed limits. Remember that we are 1 hour later than Pacific Time, except when they are on Daylight Savings Time, when we have the same time.

Combat is held at the park, after which the archery is done in the Viceroy's back yard.

More information may be obtained by contacting Dame Marsaili de Meucci (marsaili29@msn.com)
