Herald Reports

April Crown Archery Tourney

April's Archery Tournament was a royal round; thirteen archers took to the range, with HRM, Sir Pavo opening the range for tournament to begin. Sir Toma took the Huntsman win with Sir Blackarrow

coming in with a very close second, Bowman winner was no other than Sir Richard Reven, total of thirteen Archers shooting in this months tournament.

Congratulations Sir Toma and Sir Reven. We had two youths shooting this month, I love to see the youth of Umbria come and shoot archery; these youths are the future of our kingdom. So please encourage our youth's.

Next month, BANNER WAR-so May's archery tournament will be the Imperial War Tournament for Archery, HRM, Sir Pavo announced in court that Archery will start at 7:00am. No this is not a misprint: 7:00 AM. So bring lots of water and come to El Oso Park for the beginning of Banner War (at least in archery it's the beginning)

In Service to the Crown,

Dame Margarita  DuBois
Minister of Archery
Kingdom of Umbria

The Crowns thanked everyone in attendance.

They announced the new Official Kingdom of Umbria website www.kingdomofUmbria.net.

They announced that there would be a prize tourney in May: Knife fighting with the King

May Kingdom Tourney

Archery was held early in the morning with a few early birds ready to fire at the diminishing targets. Dame Margarita was crowned the victor of the Huntsman list and no winner was declared for the Bowman's list. For all those archers out there or up and comers please attend the Archery events as a great time can be had there and a good chance for you to take the list with a little luck. It was announced that Dame Draca will be running the tournament next month and there is a special prize to the winner, so come check it out and see what you can win.

During Opening court it was announced that His Majesty was ill and would not be here today and so the knife fight is being postponed until further notice.

It was a hot day but we were still able to have two full combat lists as well as two arts entries. Dame Serene received a tourney win for her wonderful beaded entry and Dame Cimindri received a masterwork for her scrumptious meal. Sir Duncan was announced the winner of the Steel Combat list and Sir Richard Corazon del Oso was named the victor in the Knight's Renn list after defeating the Father, Sir Liam and the Son, Squire Gaetano. The Force was strong in this one and I doubt if this fight will be forgotten anytime soon. On a side note for Squire Gaetano a man in a gold helmet wishes to know if you are better Luke.

On a serious note I, Sir Puck, made an announcement on behalf of my duties as the Minister of Combat. From this point on until a decision is rendered by the Imperial Minister of War and Joust. All Rapiers that are commercially blunted do not need bullet shell casings and all those that are not commercially blunted will be required to have a bullet case epoxied to the blade with a rabbit blunt over the top. All blades will have to be inspected for this and there will be tape available to re-tape the tips once they have been inspected. If you need assistance please see Sir Puck, Sir Liam, Sir Richard Reven, or Sir Dances. We will all be happy to help. There is a guideline on Appendix B of the Combat Manual. Thank you for

your understanding and cooperation.

Court was closed and several stories were told... For those stories Ask His Excellency, Escofee what the sound of a drum is like on the other side of a hill. Or Speak with Sir Duncan and his eternal battle with the rock hurlers of the depot. If you know of other stories that unfolded on this day please share with your fellow man so that we all may enjoy the fun...

May Crown Archery Tourney

This month's archery tournament was small, but mighty, with everyone getting ready for Banner War. His Excellency Sir Blackarrow autocrated this months shoot, it was diminishing target. The ten archers that was on the range, this was a true test of skill and memory. After each six arrow flight the rings on the target kept getting smaller, smaller. Last round the only ring left was yellow therefore only scoring was counted was in the yellow ring. We did have a Huntsman list but were not able to have a Bowman's list. The Huntsman winner for this month was Dame Margarita DuBois, Archery Minister for Umbria. Fun was had by all, His Majesty Sir Pavo was missed, he was home recovering from a recent Dentist visit. Hope you have a speedy recovery, best wishes from your archers.

Baroness Draconia will be autocrating June's archery tournament. Make plans now to come and shoot the third weekend in June.

In Service to the Crown,

Dame Margarita  DuBois
Minister of Archery
Kingdom of Umbria

May Canton Of Thunar

A grand time was had by those who attended the May Canton of Thunar Tournament as we were able to have a wonderful sized list for the Knight's Renn list as well as an Arts Entry. Dame Arianna le Treson, Minister of Arts & Sciences announced Sir Michael Sinestro receiving a Masterwork for his wonderfully done arts entry. Sir Liam Lust, Best Dressed Dead Guy announced the winner of the Knight's Renn list and it was none other than Sir Richard Reven taking the list.

Besides Combat and the Arts we had several announcements made, Sir Duncan made a public apology for his actions at the last Kingdom Tourney, he made it known that he would be wearing his knight's belt as a baldric to remind himself that he is a servant unto the populace and to remind himself that he is to be a lamp of chivalry and to guide the people.

Sir Puck Announced that there will be two ongoing Collegiums that people need to have completed prior to attending Banner War if they have not already taken care of

the situation. The First collegium is a Test Class in which all tests will be gone over for any one that needs them and the second collegium is a Marshalling class to qualify to become a marshal. Both Collegiums will be held at the Kingdom of Umbria's Crown Tournament on May 15, 2004.

It was announced that there will be a knife fight with His Royal Majesty. This is a prize tourney with the prize being a brand new flexi-dagger. The Entry fee is \$2 per person; more details will be forth coming.

Banner War is close upon us and anyone needing rides and are willing to share the gas bill need only ask around there are plenty of people going and we would like to see as many people as we can from Umbria to show we are a force to reckon with. Let's win us a Banner...

Court was closed well before the signaling of the darkened lamps and we were able to say our goodbyes and see whom we were talking to. HUZAZH!
